(Special to The Times-Dispatch.)

ST. LOUIS, MO., Jan. 12.-W. W. Baker, World's Pair commissioner from V. rginia, who came to St. Louis last Thursday

fully authorized to settle any and al

matters with reference to the Virginia exhibits and buildings which existed be-tween the fair authorities and his com-

mission, returned to his home in Rich-mond Monday night in a much different mood from that in which he arrived. Mr. Baker says he came to St. Louis

not to ask any favors, but wanted to ascertain what the exposition offered. At the chief's office of the Agricultural

Department Mr. Baker was turned over

Anxiety Over Far Eastern Situation Makes Itself Manifest Again.

### SPECULATIVE INTEREST DEAD

Dribble of Stocks Causes Slow Downward Tendency of Prices. Bears Lack Aggressiveness.

(By Associated Press.):

NEW YORK, Jan. 12,—The revival of auxiety over the Far Eastern outlook made itself manifest in the yielding tenmade itself manifest in the yielding tendency of prices of stocks again to-day, as well as of cotton, while giams consistently advanced. The effect was much more noticeable, however, in the almost total killing of speculative miterest. During the alternoon, the stock market became practically atsganat. The dribble of stocks were sufficient to cause a slow downward tendency of prices, but there was as much lack of aggressiveness on the part of the bears as the buils. In fact there was evidence of some desire on the part of bears to cover shorts in a lew stocks. The berrowing demand for l'empsylvania. In the loan crowd pointed on uncovered short interest. The firmiess of this stock in face of the depression elsewhere caused credence to be given to the persistent rumors of a plan of adjustment of points of antagonism boing worked out in official consultations between the Fenhsylvania and the Wabash interests.

boling worked out in official consultations between the Penhsylvana and the Wabash Interests.

There was a demand for Amalgamated Copper also to cover shorts.

The movement in United States Steel preferred was languid, but the volume of trading in it was fully maintained. The corporations' announcement of the remewed offer to employes of steek, with privileges to receive a bonus on earnings, and the reduction of the price to 55 a share instead of \$22.50, as in the preceding offer, was received with varied comments. The case of money in face of the call upon Lake Shore debenture bond syndicate for a 57 1-2 per cent, installment of the \$40.09,000 maturing Lake Shore notes save assurance that no pressure upon the money market could secount for the instess attitude of buyers towards stocks. The market closed without effectual recovery.

of Four Thousand Men.

(By. Associated Press.)

COLON, Jan. 12.—United States naval authorities here appear to be convinced that the tenor of the reports which are continually brought in that Colombia is determined to zend an army to attack Panama is true. The Panamalan gutherities yesterday received official co.,irmation of the fact that the Colombian troops at Titumati number at least four thousand men, under the command of Generals Ortiz, Uribe-Uribe, sustamente and Novo. These troops are well armed and supplied with ammunition, and have four three steam launches and a large supply of cattle.

It is expected that all the American warships will leave Colon temporary for the purpose of making a demonstration length the San Bias coast. The Vessels will land an attacking force the minoriting of the San Bias coast. The Theory are no signs of a Colombian army. Mrs. A. Y. Stokes.
